

FY 2025 Continuum of Care (CoC) Program Local Competition Policies and Procedures

Background and Introduction

Organization

Total Care for the Homeless Coalition (TCHC) is the HUD designated Continuum of Care for the upper eastern region of South Carolina. The counties included in the CoC service area include Chesterfield, Clarendon, Darlington, Dillon, Florence, Georgetown, Horry, Kershaw, Lee, Marlboro, Marion, Sumter, and Williamsburg.

HUD's Continuum of Care Program Competition

Each year, the US Department of Housing and Urban Development (HUD) makes available federal resources for homeless services to communities around the nation through its Continuum of Care Program Competition. CoC's access these funds by completing a Consolidated Application on behalf of the local homeless service provider agencies. Any agency located in the CoC service area interested in applying for these funds must participate in local homeless planning efforts and TCHC's local CoC Competition for funding. As such, it is the responsibility, annually, of the CoC to ensure that the best possible applications are submitted to HUD.

Purpose of this Document

This document describes the policies and procedures for the FY 2025 CoC Competition, including:

- Publish the CoC Program Competition funding availability and local procedures;
- Make available the link to the FY 2025 Notice of Funding Opportunity (NOFO);
- Announce the availability of CoC Bonus Funding;
- Announce the availability of the Domestic Violence (DV) Bonus Funding;
- Publish project application due dates;
- Publicly notify that the links to the 2025 CoC New Project Rating Form and the 2025 Renewal or Expansion Project Rating form will be released in the upcoming weeks;

FY 2025 CoC Program Notice of Funding Opportunity (NOFO)

Potential applicants are strongly encouraged to read the NOFO in full. The CoC NOFO may be found at [FR-6900-N-25 FY 25 CoC NOFO TC.pdf](#)

The FY 2025 NOFO establishes the funding criteria for the Continuum of Care (CoC) Program. The CoC Program is designed to promote a community-wide commitment to the goal of ending homelessness, including providing funding for efforts by nonprofit providers, States, and local governments to quickly re-house homeless individuals, families, youth, persons fleeing domestic violence, dating violence, sexual assault, and stalking. The NOFO determines the framework for the CoC to abide by for the local competition and allows for the CoC to determine local deadlines, local priorities, and ultimately provide a slate of projects to be recommended to HUD for funding ranked in order of priority.

FY 2025 CoC Program Competition Overview and Timeline

TCHC's HUD Collaborative Applicant and HUD Grant Applications Selection Committee is responsible for the local CoC program competition grant applications process. This committee will score and rank the submitted applications and present a slate of applications recommended for funding to the CoC Board of Directors.

All applicants will be required to submit a local application and supplemental information to the CoC email. Tchc.coc.secretary@gmail.com. Applications submitted within the approved competition timeline will undergo a technical review to determine if the project meets HUD and CoC thresholds as well as ensure that the application narratives are fully responsive to the questions, proposed program participants are an eligible population for the CoC program, the proposed project type is eligible, all budget line items are an eligible activity and cost type, and that data is consistent throughout the application. If a project meets all HUD and CoC thresholds the project application will then be evaluated, scored, and ranked.

As stated in Section II.A of the FY 2025 CoC Program Competition NOFO, approximately \$3,918,000,000 is available in the FY 2025 CoC Program Competition NOFO, including at least \$52 million available for Domestic Violence (DV) Bonus projects. All requirements in the FY 2025 application process, including requirements for the entire CoC Consolidated Application and the total amount of funds available, are included in the FY 2025 NOFO.

CoC Number and Name	PPRN	Estimated ARD	Tier 1	CoC Bonus	DV Bonus
SC-503 - Myrtle Beach, Sumter City & County CoC	\$5,133,160	\$7,037,492	\$2,111,248	\$1,407,498	\$513,316

For additional resources, including detailed Instructions for Renewal Applications, Transitioning Projects, and New Project Applications and instructional guides in e-snaps. Please keep in mind that this is updated by HUD and as of the date of this publication not all of the resources are available, including the e-snaps application.

Threshold Requirements:

In order to be eligible to apply for CoC funding the following CoC Threshold Requirements must be met:

- Documented, secured minimum match;
- Applicant is active CoC participant;
- Application is complete and data are consistent;
- Acceptable organizational audit/financial review;
- Project Costs are eligible (24 CFR 578 Subpart D);
- Documentation illustrating required supportive service participation.

Project Quality Thresholds for New and Transitioning Grant Applications

HUD will review all new project applications to determine if they meet the following project quality threshold requirements HUD will not award funds to a new project unless the project was created through reallocation, or the CoC has demonstrated to HUD’s satisfaction that projects are evaluated and ranked based on the degree to which they improve the CoC’s system performance.

- (1) HUD will consider any project requesting renewal funding, including renewing YHDP and renewing Special NOFO projects, as having met project quality threshold requirements through its previously approved grant application unless HUD receives information to the contrary or if the renewal project has compliance issues which results in the project not operating in accordance with the Rule.
- (2) HUD will consider YHDP Replacement project applications including applications for new YHDP projects created through YHDP reallocation as having met project quality threshold requirements if the project application activities and costs are eligible under this NOFO. If a YHDP Replacement (including YHDP Reallocation) project application is not for activities and costs that are eligible under this NOFO, HUD will not reject the project under this project quality threshold, but HUD will require the project applicant to correct or revise information submitted after the final CoC Program award announcement but before executing the grant agreement.
- (3) HUD will assess all new project applications for the following minimum project eligibility, capacity, timeliness, and performance standards.
 - (a) project applicants must have satisfactory capacity, drawdowns, and performance for existing grant(s) funded under the CoC Program, as evidenced by timely reimbursement of subrecipients, regular drawdowns, and timely resolution of any monitoring findings; however, this does not apply to project applicants who have never received a CoC Program funded project;

(b) for expansion project applications, project applicants must describe the part of the project that is being expanded and demonstrate the project is not replacing other funding sources; and (c) project applicants must demonstrate their ability to meet all timeliness standards per 24 CFR 578.85. HUD reserves the right to deny a funding request for a new project, if the request is made by an existing recipient that HUD finds to have significant issues related to capacity, performance, unresolved audit, or monitoring findings related to one or more existing grants; or does not routinely draw down funds from eLOCCS at least once per quarter. HUD also reserves the right to withdraw funds if no APR is submitted on the prior grant.

(4) HUD reserves the right to verify past performance and evaluate the eligibility of a project application submitted during the CoC Program Competition for the following reasons:

(a) evidence that the project has previously or currently conducts activities that subsidize or facilitate racial preferences or other forms of illegal discrimination or conduct activities that rely on or otherwise use a definition of sex other than as binary in humans.

(b) evidence that the project operates drug injection sites or “safe consumption sites,” knowingly distributes drug paraphernalia on or off of property under their control, permits the use or distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of “harm reduction.”

(4) Additionally, for HUD to consider new projects as meeting project quality threshold, each new project must meet the criteria outlined on page 54. Section 6B. An overview is provided below:

NEW PROJECT QUALITY THRESHOLD CRITERIA	
<i>Minimum score to be awarded. If awarded, must meet <u>all</u> of the criteria listed.</i>	
Project Type	Key Criteria
Transitional Housing (TH) Min: 7/10	<ul style="list-style-type: none"> Supportive services will be required for participation Applicant has experience operating a TH and will leverage other public/private sources Project will provide 40 hours of customized services (with some exceptions)
Supportive Services Only (SSO)-Standalone Min: 4/5	<ul style="list-style-type: none"> Project will leverage other public/private sources and provide services necessary to exit homelessness and increase self-sufficiency for program participants including those who do not traditionally engage
Supportive Services Only (SSO)-Street Outreach Min: 5/6	<ul style="list-style-type: none"> In addition to criteria for standalone SSO, applicant must have experience providing outreach services and demonstrate a history of partnering with first responders and law enforcement and will not interfere with enforcement of public camping and drug use laws
Supportive Services Only-Coordinated Entry (SSO-CE) Min. 3/4	<ul style="list-style-type: none"> Available and reachable for all in geographic area and a strategy for reaching households with highest needs Standardized assessment used to ensure participants directed to housing and services that meet their needs
Permanent Supportive Housing (PSH) Min: 4/6	<ul style="list-style-type: none"> Project will leverage other public/private sources to provide supportive services Will require participation in services Will be designed to serve elderly individuals or people with a physical disability or a developmental disability
Rapid Rehousing (RRH) Min: 6/8	<ul style="list-style-type: none"> Project will leverage other public/private sources to provide supportive services Will require participation in services Applicant has previously operated a project where employment incomes were improved
Homeless Management Information System (HMIS) Min: 3/5	<ul style="list-style-type: none"> Used as a proactive case management tool to promote treatment and recovery Collects all UDE and has the ability to unduplicate client records Produces all HUD reports
CoC Planning Min. 3/5	<ul style="list-style-type: none"> CoC membership is open and inclusive and there is a written governance charter in place CoC-wide planning committees Funds will be compliant with 24 CFR 578.7 and will improve CoCs ability to evaluate CoC and ESG projects

Local Competition Timeline:

Local Process Opens: November 13, 2025

December 2nd: Local Competition Virtual Training held via zoom. Reach out to tchc.coc.secretary@gmail.com to register.

Renewal Grant Applications:

December 15, 2025: Renewal Application Deadline, Submit a full application along with the following attachments to tchc.coc.secretary@gmail.com.

1. Local CoC Application
2. Organization's most recent audit or financial statement
3. Board Roster – identify any board members that have lived experience with homelessness
4. Policy and procedures on screening participants for potential mainstream benefits and specific plan for helping them access those benefits and supportive services/ case management program delivery (Especially substance use and mental health) Is participation a requirement for your program?
5. Policy and procedure or outreach logs that describe or document how the program applicant conducts outreach outside of the organization, specifically individuals and families that are least likely to ask for housing resources including partnerships with local law enforcement and first responders.

New/ Transitioning Project Applications:

December 15, 2026: New Project Application Deadline. Submit a full application along with the following attachments to tchc.coc.secretary@gmail.com.

1. Local CoC Application
2. Board Roster – identify any board members that have lived experience with homelessness
3. Organizational Bylaws
4. Organization Policy and Procedure/Operational Manual
5. Project Policy and Procedure/ Operational Manual
6. Organization's most recent audit or financial statement
7. Financial Policies and Procedures (if not included in one of the above-mentioned documents)
8. Policy and procedures on screening participants for potential mainstream

benefits and specific plan for helping them access those benefits and supportive services/ case management program delivery (Especially substance use and mental health) Is participation a requirement for your program?

9. Policy and procedure or outreach logs that describe or document how the program applicant conducts outreach outside of the organization, specifically individuals and families that are least likely to ask for housing resources including partnerships with local law enforcement and first responders.

12/16/25-12/29/25– The CoC Grant Technical Review Committee will technically review submitted applications to ensure they are complete, data is consistent, and budgets include eligible costs. The HUD Grant Applications Selection Committee will review, rank, and score submitted applications that meet the local and federal thresholds and funding criteria.

1/6/2026 –CoC Board meeting to approve Ranked Project listing presented by the HUD Grant Applications Selection Committee. Notifications sent to applicants related to approval, denial or amendments. All appeals must be submitted within three days of this notification.

1/9/2026 – Appeals Due to tchc.coc.secretary@gmail.com

1/9/2026 Grantees upload applications in e-snaps. Do not press submit. Notify CoC for final review.

1/12/2026 - CoC will authorize applicants to submit applications in e-snaps Grantees submit in e-snaps by January 13, 2026

Applicant Appeals Process:

Applicants may appeal a scoring and ranking decision if they believe that the score they were given was unsubstantiated by project performance, or if they believe the score indicates a violation of one of TCHC's written policies. Appeals regarding information that was not submitted in the original application will not be considered.

Appeals must be in writing and submitted to the TCHC Secretary, tchc.coc.secretary@gmail.com, through email within three business days of the notification email being sent. The TCHC Board of Directors will meet to discuss any appeal that is received. The TCHC Board of Directors will review the appeal, the reason, and make a determination as to whether a score and/or ranking decision should be altered based on the reason for the appeal. The Board's decision will be posted on the website and an email message sent to the applicant.

Upon completion of the above process the ranked projects list will be added to the annual CoC application to HUD.

Eligible Projects and Bonus Projects:

Renewal Projects:

As set forth in 24 CFR 578.33, projects may renew under the CoC Program NOFO to continue ongoing leasing, operating, supportive services, rental assistance, HMIS, and project administrative costs. Awards HUD made under the CoC Program (including projects awarded 1-year of funding under the FY 2024 CoC Program funding opportunity), projects originally awarded under the Special NOFO, and YHDP projects are eligible for renewal with FY 2025 CoC Program funds if they are currently operating and have an expiration date in CY 2026 (the period from January 1, 2026, through December 31, 2026).

- a. Renewal project applications must be submitted by the same recipient that signed the executed grant agreement for the grant being renewed, or entity that became the recipient through a grant agreement transfer amendment.
- b. To be eligible as a renewal project, the application must (1) be for the same amount of funding before any adjustments described in this NOFO (e.g. FMR adjustments), or the amount reduced due to reallocation ; (2) be for the same program component; and (3) in the case of DV Renewal projects and YHDP Renewal projects, must continue to serve the same subpopulation. b. If HUD conditionally selects a renewal grant for funding that does not have an expiration date that meets the renewal eligibility requirements prescribed by this NOFO, HUD will withdraw any funds conditionally selected for award.
- c. c. Projects that were eligible under predecessor programs, specifically Safe Haven projects, will continue to be eligible under the CoC Program and will continue to be eligible for renewal of leasing, operating, supportive services, rental assistance, HMIS, and project administrative costs under 24 CFR 578.33(d)(1) so long as the project continues to serve the same population and the same number of program participants or units in the same type of housing as identified in their most recent grant agreement, amended grant agreement, signed before August 31, 2012. No new Safe Haven projects will be funded; however, existing Safe Haven projects may be renewed to continue to carry out activities that are eligible costs under Subpart D of the Rule.
- d. The total request for each renewing project, including YHDP Renewal and YHDP Replacement projects, is limited to a project's ARA. Additionally, where two or more eligible projects are being consolidated through the project application, the total ARA of the consolidation project must be equal to or less than the sum of the original ARA of the renewal projects before consolidation. Because funds for acquisition, new construction, and rehabilitation are not renewable, grants being renewed whose original expiring award included acquisition, new construction, and rehabilitation funds may only renew leasing, supportive services, rental assistance, operating, and HMIS costs and must not exceed 10 percent in administrative costs.
- e. HUD will recapture grant funds remaining unspent at the end of the previous grant period when it renews a grant.

- f. HUD encourages the consolidation of eligible renewal grants as provided in Section IV.D.1.k of this NOFO. This does not apply to CoCs that HUD designates as UFAs, because UFAs enter into a single renewal grant agreement with HUD for the CoC's entire geographic area. If applicable, HUD issues a separate UFA grant agreement that only includes YHDP grants.

- g. Subject to HUD approval and the terms of the NOFO, the following requests may be included in a renewal application:
 - (1) CoC renewal project applications (including DV Renewal projects and projects originally funded under the Special NOFO) may include non-significant changes including shifting up to 10 percent of funds from one approved eligible activity to another.

 - (2) YHDP Renewal project applications from any round may include non-significant changes including adding select Special YHDP Activities in section IV.B.2 and shifting up to 10 percent of funds from one approved eligible activity to another.

 - (3) Renewal applications that include requests to shift more than 10 percent of funds from one approved eligible activity to another and other significant changes as defined at 24 CFR 578.105 will not be considered during the CoC Program Competition by HUD. If an application includes a budget shift that exceeds 10 percent, HUD will correct the project budget to reflect the previously awarded budget amounts. Applicants seeking to make significant changes to their grant, such as shifting more than 10 percent of funds from an approved eligible activity, should contact their Field Office and request a grant agreement amendment.

 - (4) CoC renewal project applicants may also apply to transition an eligible renewal project from one program component to another eligible new component through reallocation and use those funds to create a single, new transition grant (see section IV.D.1.l of this NOFO). YHDP Renewal project applicants are not permitted to utilize the transition grant application process. YHDP applicants must submit a YHDP Replacement application to change program components.

 - (5) YHDP Replacement projects cannot request capital costs (i.e., new construction, acquisition, or rehabilitation).

New CoC Bonus Projects:

New Project Requirements. CoCs are encouraged to submit new projects created through CoC Bonus, DV Bonus, CoC Reallocation, DV Reallocation or YHDP Replacement including YHDP Reallocation. A CoC designated Collaborative Applicant may submit a new CoC Planning project application, and if applicable, a UFA Costs project application in FY 2025.

To expend funds within statutorily required deadlines, applicants funded for sponsor-based and project-based rental assistance must execute the grant agreement and begin providing rental assistance within 2 years. However, HUD strongly encourages all rental assistance to begin within 12 months of award. Applicants that are unable to begin rental assistance within the 12-month period should consult with the local HUD CPD field office.

- a. HUD will review project subrecipient eligibility as part of the project quality threshold review process. Project applicants must submit documentation of the subrecipient's eligibility with the project application.
- b. Any youth-serving provider funded under this NOFO may serve unaccompanied youth aged 24 and under (or families headed by youth aged 24 and under, including pregnant or parenting youth) who have an unsafe primary nighttime residence and no safe alternative to that residence.
- c. Per the Consolidated Appropriations Act, 2024, to receive funding for a new CoC project, except those created through reallocation, HUD must determine the CoC has demonstrated that projects are evaluated and ranked based on the degree to which they improve the CoC's system performance (See more information on System Performance in sections III.B.6 and V.B.1.a.(1) of this NOFO).

Transition Grants

A Transition grant can be used to transition an eligible renewal project, being eliminated through reallocation, from one program type to another eligible project type over a one-year period. For a new project to be considered a Transition grant, the applicant for the new project must be the recipient listed on the current grant agreement for the eligible renewal grant being transitioned through reallocation. The definition of the grant and process is defined in Section I.B.2.b.(30) of the FY 2025 NOFO. Transition grants in this competition are eligible for renewal in subsequent fiscal years for eligible activities of the new program component. The new transition project must meet the following requirements to be eligible:

- A. The current renewal project recipient must have the consent of its Continuum of Care; and
- B. The new project application must meet project eligibility and project quality thresholds established by HUD in sections III.C.5.b and c. of the NOFO.

Recipients of an eligible renewal project that are interested in applying for a new Transition grant must notify the Total Care for the Homeless Coalition in writing by email fifteen days prior to the local project application submission date. The Total Care for the Homeless Coalition will work with recipients that have requested a Transition grant to determine if the transition from one project type to another is eligible, feasible, and is in line with CoC priorities.

Transition grants HUD conditionally awards in the FY 2025 CoC Program Competition will have one year to fully transition from the original project type to the new project type during the normal operating year once HUD executes the grant agreement.

Expansion Projects

The process by which a renewal project applicant submits a new project application to expand its current operations by adding units, beds, persons served, services provided to existing program participants, or in the case of a SSO-CE or HMIS grant, increase the current activities within the CoC's geographic area. DV Bonus funds can be used to expand an existing renewal project if the expansion project is dedicated to persons fleeing and/ or fleeing domestic violence, dating violence, sexual assault, human trafficking, or stalking who qualify under paragraph (4) of the definition of homeless at 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act. Only the new project application for the expansion will be considered for DV Bonus funds in these situations. The expansion project (i.e., the existing renewal project and the new expanded portion of the project) must meet the conditions below:

- A. The renewal project and the new expanded portion of the project must both have the same component type.
- B. Eligible project components for new expansion grants: PH-PSH, PH-RRH, Joint TH/PH-RRH, SSO-CE, or HMIS. The new expanded portion of the project may be funded through reallocation, CoC bonus, or DV Bonus.
- C. If using DV Bonus funds, the new expanded portion of the project is solely for additional units, beds, or services dedicated to persons fleeing and/ or survivors of domestic violence, dating violence, human trafficking, or stalking as defined above.

Once an expansion grant and its accompanying renewal application are submitted and the CoC accepts and ranks the applications the applicant will then submit a combined application to be submitted in e-snaps.

Consolidated Projects

Eligible renewal project applicants will continue to have the ability to consolidate two or more eligible renewal projects (but no more than ten projects) into one project application during the application process. The projects being combined during a grant consolidation will continue uninterrupted. To be eligible for consolidation, the projects must have the same recipient and be for the same component and will be funded in this competition only with FY 2025 funds (meaning no funds recaptured from prior years will be awarded to the project). HUD will not permit projects with the following characteristics to consolidate:

- A. outstanding audit or monitoring findings,
- B. outstanding obligation to HUD that is in arrears,
- C. unresolved construction delays,
- D. history of poor financial management or drawdown issues,
- E. history of low occupancy levels, or lack of experience in administering the project type, or
- F. other capacity issues.

HUD will not permit a transitional housing and a permanent housing project to consolidate to form a Joint TH and PH-RRH component project and will not permit a transition grant to be consolidated with any other project. If a project meeting these characteristics attempts to consolidate as part of the project application process, the submitted consolidated project will be rejected by HUD during the application review process.

To apply for a consolidated grant, applicants must submit separate renewal project applications and supplemental applications for each of the grants that are proposed to be consolidated, and an application for the new consolidated grant with the combined budget and information of all grants proposed for consolidation. Project applications for the grants that are proposed to be consolidated will be ranked, and if all those grants are selected, HUD will award the single consolidated grant. If one of the grants proposed to be consolidated is found to be ineligible for consolidation or is not selected, HUD will award all grants that are eligible for renewal and selected as separate grants. See Section III.B.4.b.(8) of the FY 2025 NOFO for additional requirements.

HUD Selection Process

When making funding decisions, HUD will consider:

- Eligibility requirements, including threshold review results.
- Merit review results.
- Risk review results. To the extent allowed by law, HUD may:
 - Fund applications in whole or in part.
 - Fund applications at a lower amount than requested.
 - Choose to fund no applications under this NOFO.
- Adjust funding for an application, to ensure funding or geographic dispersion, and alignment with program or administrative priorities.
- Withdraw an award offer and make an offer of funding to another eligible application, if terms and conditions are not finalized or met.
- Use additional funds made available after NOFO publication to either fully fund an application or fund additional applications.
- Correct HUD review and selection errors. If HUD commits an error that causes an applicant not to be selected, HUD may make an award to that applicant when and if funding is available.
- Release another NOFO, if funding is available and if HUD does not receive applications of merit.

HUD Headquarters will conditionally select project applications for funding using the following process:

HUD Funding Process

All project applications, including YHDP renewal and replacement projects, must be competitively ranked, except for CoC Planning and, if applicable, UFA Costs Applications. HUD will select projects in the following order:

- (1) HUD will select all CoC Planning and UFA Costs applications that meet project quality threshold requirements. Only one CoC Planning and one UFA Costs (if applicable) project application can be submitted per CoC.
- (2) HUD will then select all projects in Tier 1 that pass project quality and project eligibility thresholds as described in section V.D.3.a below.
- (3) HUD will then select projects that meet project quality and project eligibility thresholds that are ranked in Tier 2 in the order of project score as described in Section V.D.3.b below: (a) If at any point, HUD selects Permanent Housing projects in an amount more than 30 percent of a CoC's

Annual Renewal Demand (ARD), HUD will remove all remaining unselected Permanent Housing projects from that CoC's priority listing, recalculate their Tier 2 project score, and continue selection.

(4) HUD will then review DV Bonus projects already selected for funding through the above process and determine whether \$52,000,000 has been awarded to DV Bonus projects:

(a) If at least \$52,000,000 has been selected for conditional award no further action is needed. (b) If \$52,000,000 has not been selected for conditional award – continue down the list and fund additional DV Bonus projects by project-level score until at least \$52 million has been selected.

b. As authorized under the Consolidated Appropriations Act, 2017 (Public Law 115-31; 131 Stat. 135) for fiscal year 2017 and hereafter, HUD will conditionally select a renewal grant that exceeds \$10 million that was originally awarded pursuant to the matter under the heading "Department of Housing and Urban Development–Permanent Supportive Housing" in chapter 6 of title III of the Supplemental Appropriations Act, 2008 (Public Law 110-252; 122 Stat. 2351).

c. If an ineligible renewal project submitted under this NOFO is used in the reallocation process; or an ineligible YHDP Renewal or YHDP Replacement project is submitted, HUD will remove the ineligible project when calculating the final ARD amount for the CoC. To be eligible for renewal, reallocation, or replacement in the FY 2025 CoC and YHDP Funding Process, a project must have an expiration date in Calendar Year (CY) 2026 (between January 1, 2026, and December 31, 2026).

CoCs and applicants should ensure there is a thorough understanding of the information provided in this NOFO. HUD has a two-tier funding selection process for FY 2025 funding. HUD will establish Tier 1 and Tier 2 amounts for each CoC, based on each CoC's Annual Renewal Demand. HUD will post a report that lists the available amounts for each CoC's PPRN, estimated ARD, Tier 1, CoC Planning, estimated CoC Bonus amounts, and estimated DV Bonus amounts on HUD's website. The maximum amount a CoC may apply for is the sum of the CoC's ARD, eligible CoC Bonus amounts, eligible DV Bonus amounts, eligible CoC planning amounts and if applicable, eligible UFA costs amounts. The selection process described in this section of the NOFO will also be used for CoC Collaborative Applicants designated as UFAs.

Note that for FY 2025, DV Bonus and YHDP projects will be selected using the Tier 1 and Tier 2 selection process. a. Tier 1. Tier 1 is equal to 30 percent of the CoC's Annual Renewal Demand (ARD).

HUD will conditionally select project applications in Tier 1 from the highest scoring CoC application to the lowest scoring CoC application and according to the rank assigned by the CoC on the CoC Priority listing, provided the project applications pass both project eligibility and project quality threshold review, and if applicable, project renewal threshold. Any competitively ranked project may be placed in Tier 1 according to the CoC's local rating and ranking process and based on local needs and priorities. b. Tier 2. Tier 2 is the difference between Tier 1 and the sum of each CoC's ARD, CoC Bonus, and DV Bonus.

Additional information about project scoring can be found in the 2025 NOFO [FR-6900-N-25_FY_25_CoC_NOFO_TC.pdf](#)
