

FY 2022 CONTINUUM OF CARE NOFO LOCAL COMPETITION POLICIES AND PROCEDURES

TOTAL CARE FOR THE HOMELESS (SC 503)

INTRODUCTION AND BACKGROUND

The U.S. Department of Housing and Urban Development (HUD) released the [Notice of Funding Opportunity \(NOFO\) for the 2022 Continuum of Care Program \(CoC\) Competition](#) on August 1, 2022. The purpose of the funding is to promote a community-wide commitment to the goal of ending homelessness; to provide funding for efforts by nonprofit providers, states, Indian Tribes or tribally designated housing entities (as defined in section 4 of the Native American Housing Assistance and Self Determination Act of 1996 (25 U.S.C. 4103) (TDHEs)), and local governments to quickly rehouse homeless individuals, families, persons fleeing domestic violence, dating violence, sexual assault, and stalking, and youth while minimizing the trauma and dislocation caused by homelessness; to promote access to and effective utilization of mainstream programs by homeless individuals and families, and to optimize self-sufficiency among those experiencing homelessness.

In FY 2022, HUD will continue to require Collaborative Applicants to rank all projects, except CoC planning and UFA Costs, in two tiers. Tier 1 is equal to 95 percent of the combined Annual Renewal Amounts (ARA) for all projects eligible for renewal. Tier 2 is the difference between Tier 1 and the maximum amount of renewal, reallocation, and CoC Bonus funds that a CoC can apply for but does not include projects selected with Domestic Violence (DV) Bonus funds. All new and renewal projects except the planning grant will need to be rated and ranked within two tiers.

As stated in Section I.D of the FY 2022 CoC Program Competition NOFO, approximately \$2,794,000,000 is available in the FY 2022 CoC Program Competition NOFO, including at least \$52 million available for Domestic Violence (DV) Bonus projects, described in Section II.B.5 of the NOFO. HUD may add to the total amount with any available funds that have been carried over or recaptured from previous fiscal years. All requirements in the FY 2022 application process, including requirements for the entire CoC Consolidated Application and the total amount of funds available, are included in the NOFO.

Continuum of Care Service Area

Total Care for the Homeless Coalition (TCHC) is the HUD designated Continuum of Care for the upper eastern region of South Carolina. The counties included in the CoC service area include Sumter, Clarendon, Lee, Darlington, Dillon, Florence, Marlboro, Kershaw, Chesterfield, Georgetown, Williamsburg, Marion, and Horry.

DOMESTIC VIOLENCE BONUS PROJECTS

Domestic Violence (DV) Bonus projects may apply for funding. DV Bonus funding may be used for new projects and/or to expand an existing renewal project that is not dedicated to serving survivors of domestic violence, dating violence, sexual assault, or stalking who meet the definition of homeless in paragraph (4) of 24 CFR 578.3 so long as the DV Bonus funds for expansion are solely for additional units, beds, or services dedicated to persons eligible to be served with DV Bonus funding.

Once an expansion and its accompanying renewal application are submitted and ranked, applicants will submit a combined application for the competition.

CONSOLIDATED PROJECTS

Eligible renewal project applicants will continue to have the ability to consolidate two or more eligible renewal projects (but no more than ten projects) into one project application during the application process. The projects being combined during a grant consolidation will continue uninterrupted. To be eligible for consolidation, the projects must have the same recipient and be for the same component; and will be funded in this competition only with FY 2022 funds (meaning no funds recaptured from prior years will be awarded to the project). HUD will not permit projects with the following characteristics to consolidate:

- A. outstanding audit or monitoring findings;
- B. outstanding obligation to HUD that is in arrears,
- C. unresolved construction delays,
- D. history of poor financial management or drawdown issues,
- E. history of low occupancy levels, or lack of experience in administering the project type, or
- F. or other capacity issues.

HUD will not permit a transitional housing and a permanent housing project to consolidate to form a Joint TH and PH-RRH component project and will not permit a transition grant to be consolidated with any other project. If a project meeting these characteristics attempts to consolidate as part of the project application process, the submitted consolidated project will be rejected by HUD during the application review process.

To apply for a consolidated grant, applicants must submit separate renewal project applications for each of the grants that are proposed to be consolidated, and an application for the new consolidated grant with the combined budget and information of all grants proposed for consolidation. Project applications for the grants that are proposed to be consolidated will be ranked, and if all those grants are selected, HUD will award the single consolidated grant. If one of the grants proposed to be consolidated is found to be ineligible for consolidation or is not selected, HUD will award all grants that are eligible for renewal and selected as separate grants. See Section V.B.4.(7) of this NOFO for additional requirements.

HUD expects each CoC to implement a thorough review and oversight process at the local level for both new and renewal project applications submitted to HUD in the FY 2022 CoC Program Competition. To meet this expectation, the CoC closely reviews information provided in each project application in order to ensure that:

1. All proposed program participants will be eligible for the program component type selected;
2. The proposed activities are eligible under the 24 CFR part 578 and the Special NOFO;
3. Each project narrative is fully responsive to the question being asked and that it meets all of the criteria for that question as required by the Special NOFO and included in the detailed instructions provided in e-snaps;
4. The data provided in various parts of the project application are consistent; and
5. All required attachments correspond to the attachments list in e-snaps and the attachments contain accurate and complete information, and are dated between June 22, 2022 and October 20, 2022.

RATING CRITERIA

Each Renewal and New Project application submitted will be rated against the criteria articulated in the Department of Housing and Urban Development's Rating and Ranking Tool and FY 2022 NOFO. An overview of the rating criteria that will be considered during the rating and ranking process is provided below. **Additionally, the CoC Rating and Ranking tool will be published in the weeks ahead before the submission date of project applications.** According to guidance from HUD, CoCs should use objective, performance-based scoring criteria and selection priorities that are approved by the CoC to determine the extent to which each project addresses HUD's policy priorities.

The Rating and Ranking Committee may also review information in the Line of Credit Control System (LOCCS); Annual Performance Reports (APRs); and information derived from monitoring, including monitoring reports and A-133 audit reports as applicable, as well as performance standards on prior grants.

APPEALS PROCESS

DENIED OR DECREASED FUNDING

If an applicant wishes to appeal rating and ranking outcomes that resulted in denied or decreased funding, they must submit a letter of appeal to the chair of the CoC within 3 days of receiving their official notice outside of e-snaps. The governing body of the CoC will be convened to review any such appeal prior to **September 23, 2022** and will notify the appellant in writing of the results of the appeal.

REJECTED PROJECTS

Project applicants whose project was rejected may appeal the local CoC competition decision to HUD if the project applicant believes it was denied the opportunity to participate in the local CoC planning process in a reasonable manner by submitting a Solo Application in e-snaps directly to HUD prior to the application deadline on September 20, 2022. The CoC's notification of rejection of the project in the local competition must be attached to the Solo Application. If the CoC fails to provide written notification outside of e-snaps, the Solo Applicant must attach evidence that it attempted to participate in the local CoC planning process and submitted a project application that met the local deadlines, along with a statement that the CoC did not provide the Solo Applicant written notification of the CoC rejecting the project in the local CoC competition. See Section X.C. in the NOFO for more information.
